Your Honor,

To be honest I do not know if I am doing this correctly, But im a firm believer in trying to find the truth. I don't know if im suppose to file a motion about this issue Or just write you. I filed my complaint in June of 2023. It was officially DEEMED filed on July 11, 2023. To this day I have yet to here anything further. I am worried I am missing things in the mail and my complaint will be denied through no fault of My own. If there is anything you can do to help Please let Me know. Thank you for your attention in this matter.
